

VERBAL MOTION

I HEREBY MOVE that Council ADOPT the following recommendations (Item 57, CF 10-0460) relative the East San Fernando Valley North/South Transit Corridors Bus Speed Improvement Project:

1. DIRECT the Los Angeles Department of Transportation (LADOT) to work with the Los Angeles County Metropolitan Transportation Authority (Metro) on a scope, schedule and budget for federal/state environmental clearance and public outreach for all three phases of the East San Fernando Valley North/South Transit Corridors Bus Speed Improvement Project.
2. DIRECT the LADOT to include in the environmental clearance three busway alternatives for the Van Nuys Corridor between Burbank Boulevard and Plummer Street:
 - a. Median busway
 - b. Median busway with grade separations at major cross streets
 - c. Median busway with grade separations at major cross streets and a tunnel segment between the Metro Orange Line and Vanowen Street.
3. DIRECT the LADOT to work with Metro to develop a scope, schedule and budget for an Alternatives Analysis of expanded north-south passenger rail in the San Fernando Valley, including a potential rail connection between the Metro Red Line North Hollywood Station and the Sylmar Metrolink Station.
4. DIRECT the LADOT to report back on the project status every 12 months.

Fiscal Impact Statement: The LADOT reports that development and implementation of recommended improvements would be funded by the TCRP, Measure R, and other outside sources, so there would be no impact on the City's General Fund.

Community Impact Statement: None Submitted

(Transportation Committee waived consideration of the above matter)
