reports as follows:

BUDGET AND FINANCE COMMITTEE REPORT relative to the sale of one Seagrave fire engine at below market value to Los Bomberos.

Recommendations for Council action, pursuant to Motion (LaBonge-Huizar):

1. APPROVE the Motion (LaBonge-Huizar) authorizing the sale of one surplus Seagrave fire engine to Los Bomberos for the below market price of \$1.00 in accordance with Los Angeles Administrative Code Section 22.547.
2. REQUEST the City Attorney to expedite preparation of the appropriate documents to effectuate the sale and transfer of the above identified surplus equipment at below market value to Los Bomberos.
3. INSTRUCT the City Clerk to inform Los Bomberos (Phillip Dominguez, President; Post Office Box 532743, Los Angeles, California 90053, [951] 689-1521) that the surplus fire engine must be claimed within 60 days from the date of Council approval of the request, at which time it will revert to the City's surplus equipment pool for disposal by the Department of General Services.

Fiscal Impact Statement: The Chief Legislative Analyst reports the sale of one Seagrave fire engine at a below market value price is consistent with the City's Financial Policies as Los Bomberos is a non-profit created specifically to further the work of a City department (Los Angeles Fire Department) and is headquartered in the City of Los Angeles. This below market sale will increase the General Fund by \$1.00.

Community Impact Statement: None submitted

SUMMARY

At its meeting of April 12, 2010, the Budget and Finance Committee considered Motion (LaBonge-Huizar) and a Chief Legislative Analyst (CLA) report relative to the sale of one surplus Seagrave fire engine to Los Bomberos for the below market price of \$1.00. Los Bomberos is a non-profit organization comprised of Los Angeles City firefighters in partnership with community and business groups which mentors firefighter candidates; participates in efforts to recruit and train qualified candidates for the Los Angeles Fire Department (LAFD); and fosters upward mobility among its members.

Inasmuch as the Los Angeles Administrative Code includes a provision to enable the sale of surplus equipment at less than current market value to non-profit organizations located in the City which have been established exclusively to further the services provided by the City and its departments, the Budget and Finance Committee recommended approval of the sale of one surplus

Seagrave fire engine to Los Bomberos at the below market price of \$1.00. This matter is now forwarded to the Council for its consideration.

Respectfully submitted,

BUDGET AND FINANCE COMMITTEE
