MOTION

The Coalition of LA City Unions and the United Firefighters of Los Angeles City have just released a proposal entitled "A Strong Budget for Los Angeles - Solutions from City workers to Protect Neighborhood Services." This proposal provides a methodical and reasoned approach to addressing the City's budget issues. It also proposes the following categories of "Strong Solutions:"

Strong Solutions

- Maintain Public Safety by Supporting Community Based Policing
- Ensure Fire Safety by Prioritizing Front-Line Responders
- Maximize Revenue Collection
- Capitalize on Coalition Agreement to Maximize Savings
- Reduce Retirement Plan Costs
- Trim or Eliminate Expensive Outside Contracts
- Improve Efficiency of Debt Collection and Crack Down on Deadbeat Debtors
- Demand Big Banks Do Their Part to Fix Neighborhoods
- Restructure to Prioritize Efficient Service Delivery
- Additional Budgetary possibilities
- Contracting In of Engineering Services

We need to have a comprehensive analysis of these proposals.

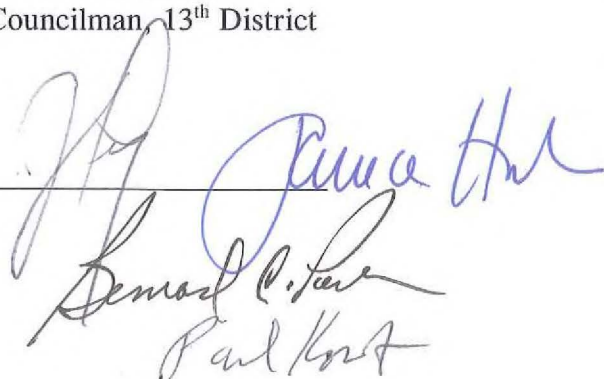

I THEREFORE MOVE that the City Administrative Officer be directed to report with an analysis of the proposal entitled "A Strong Budget for Los Angeles - Solutions from City workers to Protect Neighborhood Services," presented by the Coalition of LA City Unions and the United Firefighters of Los Angeles City.
