The City Attorney's Office is transmitting for your review and approval the LA IMPACT Grant Award to the Los Angeles City Attorney's Office to continue the third year of operations related to Project T.O.U.G.H. (Taking Out Urban Gang Headquarters). LA IMPACT is funded through a Bureau of Justice anti-drug abuse formula grant for which the newly formed Board of State and Community Corrections serves as the pass through agency to the County of Los Angeles. CalEMA formerly served as the pass through agency.

Following a competitive process at the County level, LA IMPACT has awarded the Los Angeles City Attorney's Office funding to investigate and abate public nuisance properties, as well as prosecute individuals and/or entities that commit and/or permit criminal activity (narcotics and gangs) within these properties.

The grant award allocated totals \$177,400 for a term of one year from October 1, 2012 through September 30, 2013. This provides reimbursable funding for one full-time prosecutor, who will use effective civil and criminal legal tools to curtail drug and gang activity occurring in neighborhoods throughout the City of Los Angeles.

Established in 1991, LA IMPACT is an anti-drug enforcement consortium consisting of 57 police agencies contained in the County of Los Angeles, the Bureau of Narcotic Enforcement, the California Highway Patrol, Los Angeles City Attorney, Los Angeles District Attorney, Drug Enforcement Administration, and Bureau of Immigration and Customs Enforcement. LA IMPACT serves under the direction of local police chiefs, assisted by the California Department of Justice.

Los Angeles has become one of the top primary money laundering venues in the United States due to its location near a major world sea port, the proximity to the Mexican border, the presence of a major international airport, and proliferation of banks and other financial institutions. LA IMPACT targets, investigates, and prosecutes individuals who organize, direct, finance, or otherwise engage in medium-to-high level drug trafficking enterprises or money laundering, placing a high priority on those subjects engaged in the importation of drugs into Los Angeles. LA IMPACT also interdicts these illegal supply lines and seizes their drugs.

Acceptance of this grant award will significantly improve public safety and enhance the neighborhoods where nuisance properties sheltering criminal activity are located.

IT IS THEREFORE REQUESTED that the City Council and the Mayor:

1. Authorize the City Attorney or his designee to **APPROVE** the accompanying grant award between the City and the LA IMPACT and authorize the City Attorney or his designee to **EXECUTE** said grant award on behalf of the City, subject to the approval of the City Attorney as to form and legality.
2. Authorize the City Attorney or his designee to **ACCEPT** the grant award in the amount of \$177,400 for funding the LA IMPACT Grant for the period of October 1, 2012 – September 30, 2013.
3. Authorize the Controller to:
