SUMMARY

In a report to the Board of Police Commissioners dated March 1, 2013 (attached to the Council file), LAPD requests authority to accept additional 2010 Port Security Program grant funding and to execute the fourth amendment to the MOA to add the additional grant funds. On or about March 15, 2013, the Fiduciary Agent approved a fifth allocation from the 2010 Port Security Grant Program funds of \$76,106 to purchase public safety diver equipment. On March

26, 2013, the Board approved LAPD's request. According to LAPD, the purpose of the Port Security Grant Program is to strengthen the nation's critical infrastructure against risks associated with potential terrorist attacks and enhance the response of law enforcement entities within the jurisdiction.

At its meeting held April 12, 2013, the Public Safety Committee discussed this matter with LAPD staff. Department staff stated that the additional grant funds will be used to replace or upgrade equipment. Committee recommended that Council authorize LAPD to accept the supplemental Port Security grant award, as recommended by the Board of Police Commissioners.

Respectfully submitted,

PUBLIC SAFETY COMMITTEE
