reports as follows:

TRANSPORTATION COMMITTEE REPORT relative to activities undertaken during the period August through November 2011, for the implementation of the 2010 Bicycle Plan.

Recommendation for Council action:

RECEIVE and FILE Planning Department report to Council dated December 14, 2011 (attached to the Council file), relative to activities undertaken during the period August through November 2011, for the implementation of the 2010 Bicycle Plan.

Fiscal Impact Statement: Not applicable.

Community Impact Statement: None submitted.

SUMMARY

In the December 14, 2011, report to Council, the Planning Department provides a summary of the progress made by the Department and the Department of Transportation (DOT) relative to the implementation of the 2010 Bicycle Plan. Implementation milestones achieved during the period August through November 2011, include: receiving input from the Bicycle Plan Implementation Team, passage of a Bicycle Parking Ordinance, Think Bike LA, Spring and First Streets green lanes, and grant opportunities to support the work of the DOT Bicycle Program.

At its meeting held December 14, 2011, the Transportation Committee discussed this matter with representatives of the Planning Department and DOT. Department representatives stated that staff is conducting outreach and surveys, especially to under-served communities. Bike plan implementation is proceeding ahead of schedule. During the public comment period, support was expressed for the report and for staff performance. Encouragement was given for the construction of full bike paths. A speaker commented that new sharrows should not count toward the City's goal of 200 miles of new bikeways. The Committee recommended that Council receive and file the Planning Department report.

Respectfully submitted,
