TO: Honorable Board of Police Commissioners

FROM: Chief of Police

SUBJECT: REVIEW OF REQUEST FOR PAYMENT OF REWARD OFFER ON CITY COUNCIL FILE NO. 11-0010-S40

RECOMMENDED ACTIONS

1. That the Board of Police Commission REVIEW and APPROVE the request for payment of reward offer on City Council File No. 11-0010-S40.
2. That the Board TRANSMIT to the Mayor and City Council the appreciation for special reward payment for review and approval.

DISCUSSION

As requested by the Honorable members of the Board of Police Commissioners, I have conducted a review of Mr. Harlan Hobbs' claim for payment of the reward related to the August 8, 2011, murders of John Lee and Oletta Williams.

Mr. Hobbs has asserted that he is entitled to the entire \$75,000 reward based on his actions in this case. However, my review of the investigation does not support that assertion, and I believe that the Devonshire Detectives' recommendation for the disbursement of \$17,500 to Mr. Hobbs is appropriate.

The basis for the reward was information leading to "the arrest and conviction" of the individual responsible for the murders of John Lee and Oletta Williams. From the review of this case, it is clear that Mr. Hobbs' actions aided in the apprehension of Brent Zubek, but that is the extent of his contribution to the case. The key witness, who was pivotal to the arrest and conviction of Brent Zubek, was not Mr. Hobbs. That individual provided direct testimony that held Brent Zubek accountable for his crimes.

I would respectfully recommend that the Board endorse the reward disbursement presented to you by Devonshire Detectives.

Should you require any additional information in this matter, please contact William P. Hayes, Commanding Officer, Robbery-Homicide Division, at (213) 486-6850.

Respectfully,

CHARLIE BECK
Chief of Police

FACTSHEET
City Council Reward
Homicide Investigation
Devonshire Area DR No. 1117-15572
December 10, 2015

BACKGROUND:

On August 8, 2011, Devonshire Area Detectives received information from an anonymous source, related to a possible double homicide in the area of Lassen Street and Corbin Avenue. According to the anonymous source, the homicides occurred during a dispute over a \$50,000 check or some type of fraud. The anonymous source assisted with locating an individual, hereafter referred to as Amy Harder, who stated Brent Darrin Zubek shot and killed his roommates, a Caucasian male named "John Lee" and his African-American girlfriend "Oletta," in the residence located at 20410 Lassen Street, in the City of Chatsworth.

Devonshire Homicide Detectives launched a criminal investigation. The detectives' investigation revealed that in July 2011, Suspect Brent Zubek shot and killed his two roommates, Oletta Williams and John Lee. Zubek cleaned the crime scene and retained the bodies for seven weeks in trash barrels.

Detectives served several warrants at the crime scene location and recovered the victims' bodies from the trash containers. Zubek fled the scene, prompting Councilmember Englander to offer, and the City Council to approve a reward of \$75,000 for information leading to the "arrest and conviction of the person or persons who committed a vicious double homicide in the San Fernando Valley." A press conference was held on August 19, 2011, and the information was released to the public.

Note: Devonshire Homicide Detectives were able to identify the suspect (Zubek) and solve the murder based on an eyewitness account provided by Witness Amy Harder. Zubek was an outstanding suspect at this point.

On August 21, 2011, Amy Harder walked into Devonshire Area Police Station and advised Devonshire personnel, she was with Zubek on August 20, 2011. When asked to do so, Harder refused to call Zubek in order to arrange a meet with him. Harder ultimately left the Police Station and Major Crimes Division (MCD) started a moving surveillance on Harder while she drove a Jeep Cherokee, License Plate No. 5VPL840.

MCD officers were in the area of Ventura Boulevard and Libbit Avenue, when they observed Zubek in the front passenger seat of the Jeep Cherokee Harder was driving. The vehicle was being driven by Harder south on Libbit Avenue, from Ventura Boulevard. Then, the vehicle stopped on Libbit Avenue, south of Ventura Boulevard. The officers decided to conduct a traffic stop while the vehicle was stopped.

Zubek possibly observed the officers, because he exited the vehicle and ran south. Zubek then turned west in the driveway of the residence located at 4739 Libbit Avenue. The officers pursued Zubek on foot. Zubek jumped over a retaining wall along the north property line of the driveway and entered a storage yard located at 4741 Ventura

Boulevard, out of view. Zubek subsequently fired a single shot at the pursuing officers. The officers were unable to visually locate Zubek and a perimeter was established. Various police personnel from the Department, including officers from Metropolitan Division and SWAT, responded to the perimeter.

SWAT officers and a K-9 handler entered the yard of the residence located at 4641 Libbit Avenue. The officers and the police dog proceeded to the yard on the east side of the residence where the police dog alerted along the east wall of the residence. Zubek suddenly appeared on the roof of the residence holding a pistol in his right hand, which he pointed at the officers. A SWAT officer, believing Zubek was going to shoot him or the other officers, fired one round at Zubek from his Heckler and Koch 416 Rifle. The officers lost sight of Zubek, but he was subsequently located in a prone position on the roof. The officers were able to take Zubek into custody.

Zubek suffered a gunshot wound to his right side and was transported to Northridge Hospital by ambulance, where he was treated for his injury and released. Zubek was interviewed at Devonshire Station, and later booked at Van Nuys Jail for 245 (d) (1) P.C., Assault with a Deadly Weapon on a Peace Officer.

On December 16, 2011, the case was presented to the District Attorney's Office and Deputy District Attorney Blake filed two counts of 187 PC, Murder, and one count of 12021(a) PC, Ex- Convict with a Gun.

On January 27, 2015, Zubek is found guilty on all counts of 187 PC, 664/187 PC and weapons violations at a jury trial.

On March 6, 2015, Zubek was sentenced to two terms of life without the possibility of parole (LWOP), plus nine life terms, plus 495 years. Zubek is currently housed at Pleasant Valley State Prison.

SUMMARY:

Mr. Harlan Hobbs submitted a claim for the \$75, 000 reward offered by the City Council. Hobbs contentions are as follows:

- Hobbs met with detectives / SIS, and he arranged for a tracking device to be placed on his vehicle (The Jeep License Plate No. 5VPL840);
- Hobbs devised a plan with "Detectives" to lend Amy Harder the vehicle and that would allow her transportation to connect with Zubek. Then ultimately Zubek was spotted in the jeep and arrested shortly thereafter. In Hobbs words, "It worked;"
- Hobbs has put himself at great risk by becoming involved in the case; and,
- Hobbs feels that the case has "changed hands" and detectives may have "forgotten."

FACTSHEET
City Council Reward
Homicide Investigation
Devonshire Area DR No. 1117-15572
December 10, 2015

Meetings between Homicide Detectives and Deputy District Attorney Michael Blake determined that Hobbs' involvement was "Helpful, but not essential information." Therefore, an award of \$17,500 "could be an objective and proportionate remuneration." During the aforementioned discussions, no formula was used to determine the amount. Detectives considered the following:

- Witness Amy Harder met with Harlan Hobbs, and Hobbs provided the Jeep to Amy Harder for her to drive and potentially meet with Zubek;
- Harder drove to Devonshire Station and briefly met with Devonshire personnel;
- Major Crimes Division picked up surveillance, and followed Amy Harder to meet Zubek;
- MCD detectives testified at trial that they did not use and were unaware of a tracking device. Harder was followed from Devonshire Station utilizing old fashion surveillance techniques;
- During Zubek's Preliminary Hearing, Harder testified; however, Hobbs did not;
- Hobbs is not called as a prosecution witness;
- Hobbs is called as Defense Witness, ultimately he testifies largely in favor of the prosecution, and Hobbs testified that he provided the Jeep, and worked in conjunction with the police department for tracker installation;
- Hobbs has a video of what appear to be undercover officers/detectives placing a possible device on his vehicle (Jeep) and telephone logs; and,
- Homicide detectives were unable to identify the surveillance component Hobbs was referring to and/or have on video. Devonshire Homicide detectives determined that this had no role in the overall investigation.

CONCLUSION:

After reviewing the case in its' entirety as it relates to Hobbs' claim for the reward, there is no disputing the fact that Hobbs loaned his vehicle to Harder. As stated earlier, Hobbs' role in the case was helpful, but not essential. Hobbs did not provide information leading to the arrest (identification) and conviction of Zubek. Amy Harder was vital to this investigation and it was her eyewitness testimony, which lead to the arrest and conviction of Zubek.

INTRADEPARTMENTAL CORRESPONDENCE

November 12, 2015

I.1

TO: Honorable Board of Police Commissioners

FROM: Chief of Police

SUBJECT: REQUEST FOR PAYMENT OF REWARD OFFER ON CITY COUNCIL
FILE NO. 11-0010-S40

RECOMMENDED ACTIONS

1. That the Board of Police Commissioners (Board) REVIEW and APPROVE the attached Application for Special Reward Payment.
2. That the Board TRANSMIT to the Mayor and City Council the Application for Special Reward Payment for review and approval.

DISCUSSION

It is requested that the Board approve and transmit to the City Council the recommendation that a previously approved reward offer be paid to a citizen for providing assistance that contributed to the defendant's apprehension in the murder of Oletta Williams and John Lee, City Council File No. 11-0010-S40. On or about July 2, 2011, Oletta Williams and John Lee were shot and killed inside a residence located at 20410 Lassen Street. Their bodies were retained by the perpetrator, Brent Zubek, for more than six weeks. Upon discovery of the bodies, Brent Zubek fled. The reward of \$75,000 was offered on a motion passed by the Los Angeles City Council on August 19, 2011.

A citizen came forward and provided helpful, but not essential material which led to the capture of Brent Zubek. This individual provided, in part, the conveyance that Brent Zubek was eventually apprehended in. He was called as a defense witness during the criminal trial and appeared to testify truthfully. The claimant has been the only involved party known to Devonshire Homicide to lay claim to this reward.

It is the opinion of the Investigating Officers and the Deputy District Attorney assigned to this case that the assistance of this citizen resulted, at least in part, to the apprehension and arrest of Brent Zubek. It is recommended that the claimant receive a monetary award commensurate to his contribution to the case. An award of \$17,500 could be an objective and proportionate remuneration. Brent Zubek has been sentenced to two life terms without parole, nine life terms, plus 495 years, for the murders.

Respectfully,

CHARLIE BECK
