SUBJECT: GRANT ACCEPTANCE - MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE'S CLEAN TRANSPORTATION FUNDING

As recommended in the accompanying report of the Director of the Bureau of Sanitation, which this Board has adopted, the Board of Public Works recommends that the Mayor and Council approve and authorize the Director of the Bureau of Sanitation or designee:

1. Accept \$900,000 in grant funds from the Mobile Source Air Pollution Reduction Review Committee (MSRC), to conduct all negotiations, to provide additional information, and to execute and submit all documents, including, but not limited to, agreements, amendments, subject to the approval of the City Attorney as to form and legality, which may be necessary to secure funding with respect to the purchase of eight (8) medium-duty electric refuse collection vehicles and its electric vehicle (EV) charging infrastructure. The authority for BOS to apply for grant funding may be found on Council File 11-0527 (Transmittal No.1); and
2. REQUEST the City Council to adopt the Resolution (Transmittal No.2) approving the acceptance of grant funding in the amount of \$900,000 and appointing the Director of BOS, or designee, to conduct all negotiations and to execute and submit all documents necessary to accept and expend the grant funding for the procurement of eight (8) medium-duty electric refuse collection vehicles and its required EV charging infrastructure.

There is no impact to the General Fund.

Sincerely,

DR. FERNANDO CAMPOS,
Executive Officer, Board of Public Works

Executive Officer
Board of Public Works

AUTHORITY TO ACCEPT \$900,000 OF GRANT AWARD FROM THE MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE'S CLEAN TRANSPORTATION FUNDING THROUGH THE 2017 LOCAL GOVERNMENT PARTNERSHIP PROGRAM IN SUPPORT OF LA SANITATION AND ENVIRONMENT'S PROCUREMENT OF BATTERY-POWERED SOLID RESOURCES COLLECTION VEHICLES

RECOMMENDATIONS

1. Approve and forward this report, with transmittals, to the Mayor and the City Council, with the recommendation that the Director of LA Sanitation and Environment (LASAN), or designee, be authorized to accept \$900,000 in grant funds from the Mobile Source Air Pollution Reduction Review Committee (MSRC), to conduct all negotiations, to provide additional information, and to execute and submit all documents, including, but not limited to, agreements, amendments, subject to the approval of the City Attorney as to form and legality, which may be necessary to secure funding with respect to the purchase of eight (8) medium-duty electric refuse collection vehicles and its electric vehicle (EV) charging infrastructure. The authority for LASAN to apply for grant funding may be found on Council File 11-0527 (Transmittal No.1).
2. Request the City Council to adopt the Resolution (Transmittal No.2) approving the acceptance of grant funding in the amount of \$900,000 and appointing the Director of LASAN, or designee, to conduct all negotiations and to execute and submit all documents necessary to accept and expend the grant funding for the procurement of eight (8) medium-duty electric refuse collection vehicles and its required EV charging infrastructure.

TRANSMITTALS

1. Copy of the adopted and approved Resolution (C. F. 11-0527), by the City Council and Mayor authorizing the Director of LASAN, or designee, to apply for external grant funding opportunities for the LASAN Clean Fuel Program
2. Copy of proposed Resolution
3. Copy of the report to the City Council, by Mayor Eric Garcetti of the availability of a \$3,000,000 grant award from the MSRC Clean Transportation Funding through the 2017 Local Government Partnership Program, including identifying \$900,000 of the monies to be contributed to LASAN for the purchase of electric refuse collection vehicles
4. Copy of the adopted and approved Resolution (C.F. 11-0527-S5), by the City Council and Mayor Eric Garcetti adopting and approving the acceptance of a \$3,000,000 grant award from the MSRC Clean Transportation Funding through the 2017 Local Government Partnership Program
5. Copy of a letter from MSRC staff approving LASAN's project proposal and awarding \$900,000 funding assistance towards the approved project

DISCUSSION

Through its Clean Fuel Program, LASAN is committed to improving air quality and public health in the City of Los Angeles by reducing air toxic pollutants. To this effect, LASAN plans to procure zero-emission refuse collection vehicles to be used in its operation. LASAN's ultimate goal is to convert all class 6 collection vehicles to zero emission by 2026.

The Clean Fuel Program actively seeks external funding assistance opportunities to support the implementation of its projects. Over \$30,000,000 in funding assistance has been received by the Program since its inception.

In a correspondence to the City Council dated April 9, 2018, Mayor Eric Garcetti reported the availability of \$3,000,000 awarded to the City by the MSRC Clean Transportation Funding through the 2017 Local Government Partnership Program, \$900,000 of which have been allocated to LASAN for the acquisition of electric refuse collection vehicles.

The City Council and Mayor Eric Garcetti adopted and approved the acceptance of the MSRC Clean Transportation Funding award of \$3,000,000 on May 2, 2018. Subsequently on July 12, 2018, LASAN received notification from MSRC regarding the approval of its project proposal to utilize a \$900,000 funding award to procure 8 electric medium-duty refuse collection vehicles and its required EV charging infrastructure. The total estimated cost of procuring eight (8) electric medium duty refuse collection vehicles and its required EV charging equipment is \$2,400,000. Acceptance of the MSRC award will offset approximately 37% of the cost of procurement.

FISCAL IMPACT STATEMENT

There is no impact to the General Fund. The receipt of grant funds will enable the City of Los Angeles to reduce the cost of procuring eight (8) medium-duty electric refuse collection vehicles and its required EV charging infrastructure. Failure to accept the grant award from MSRC will forego the opportunity to save \$900,000 on the cost of the electric collection vehicle procurement and its required EV charging infrastructure.

STATUS OF FINANCING

There is no impact to the General Fund. Funding for this project is not to exceed \$2,400,000. Funding in the amount of \$2,400,000 is available in the Solid Waste Resources Revenue Bonds Acquisition Fund No. 60M, appropriation unit 50RU70 for the procurement of eight (8) electric medium-duty refuse collection vehicles and their required charging infrastructure.

Upon complete delivery and deployment of the eight (8) electric refuse collection vehicles and installation of its required charging infrastructure, LASAN will seek the reimbursement of \$900,000 from MSRC. Reimbursements will be deposited into the Solid Waste Resources Revenue Fund No. 508, Department 50, Departmental Revenue Source Code 336100.

Funding as of the date of this board report has been verified and approved by the Director of Accounting subject to the terms and conditions and cash availability described above.

Dear Sir/Madam:

The agenda for the Los Angeles City Council meeting on Wednesday, February 29th 2012, includes consideration of a communication from the Board of Public Works and a proposed RESOLUTION relative to authority to apply for external grant funding opportunities to support the Bureau of Sanitation's (BOS) Clean Fuel Program and other environmental programs (Item No.: 22).

Due to clerical errors, the wrong resolution was attached. We, therefore, would like to request the proposed RESOLUTION (TRANSMITTAL 1) that was previously submitted as part of the report from the Board of Public Works be replaced with the revised RESOLUTION as attached.

We thank you for your assistance in this matter, and if you have any questions, please do not hesitate to contact me at (213) 485- 2210.

Sincerely,

ALEXANDER E. HELOU, Assistant Director
Bureau of Sanitation

Cc: Javier Polanco, BOS
Lisa Mowery, BOS

RESOLUTION

WHEREAS, the Bureau of Sanitation (BOS) was directed by Mayor Antonio Villaraigosa to convert the City of Los Angeles fleet of Solid Resources Collection Vehicles (SRCV) to clean-burning natural gas powered vehicles; and

WHEREAS, the Los Angeles City Council has adopted the Clean Fuel Policy and this initiative is a commitment to provide better environment, health, and quality of life to all City of Los Angeles residents; and

WHEREAS, since the implementation of its Clean Fuel Program in 2000, BOS has actively sought and successfully been awarded several external grant contracts to offset the costs for the construction of natural gas fueling stations and the purchase of clean fuel collection vehicles; and

WHEREAS, on November 29, 2007, the City Council authorized the Environmental Affairs Department (EAD) to prepare and submit applications for grant funding on behalf of the City of Los Angeles, including the Bureau of Sanitation, to reduce mobile source emissions and related matters; and

WHEREAS, on June 11, 2010, the City Council directed the transfer of various powers, duties, and functions of the EAD to the Department of Public Works Bureau of Sanitation, Department of Building and Safety, and Department of Transportation, operative on July 1, 2010; and

WHEREAS, various grant opportunities are regularly announced through local, state, and federal programs, including the Carl Moyer Program and the Mobile Source Air Pollution Reduction Review Committee which are often made available on a "first come, first served" basis, and with narrow time windows for application submissions; and

WHEREAS, this delegation of authority to apply for grants enabled EAD to apply for grants with short application windows and would be valuable beyond the Clean Fuel Program; and

NOW THEREFORE BE IT RESOLVED, that the City Council, with concurrence with the Mayor, hereby authorizes the Bureau of Sanitation to submit applications for any available alternative fuel or air quality improvement grant funding opportunities to help offset the cost of implementing its Clean Fuel Program for the SRCV; and

BE IT FURTHER RESOLVED, that the City Council, with the concurrence with the Mayor, hereby authorizes the Bureau of Sanitation to submit applications for any available grant funding opportunities to help offset the costs of any of the environmental programs that it manages;

BE IT FURTHER RESOLVED, that by adoption of this Resolution, with the concurrence of the Mayor, that the City Council authorizes the Director of the Bureau of Sanitation, or designee, to report back to the Mayor and City Council for the purpose of requesting authority to accept, negotiate and execute agreements, if awarded grant funding.

TRANSMITTAL NO.2

RESOLUTION

WHEREAS, a resolution (CF No. 11-0527) authorizing Bureau of Sanitation (LASAN) Director, or designee, to apply for external grant funding opportunities for the LASAN Clean Fuel Program, was adopted and approved by the Los Angeles City Council and the City Mayor on March 8, 2012; and.

WHEREAS, the Mobile Source Air Pollution Reduction Review Committee (MSRC) released its Clean Transportation Funding through the 2017 Local Government Partnership Program (2017 LGPP) on September 1, 2017, with the aim of encouraging the accelerated transition to zero and near-zero vehicles along with its required infrastructure; and

WHEREAS, the City Council in a report from Mayor Eric Garcetti, was notified on April 9, 2018, of the availability of \$3,000,000 grant awarded the City from the MSRC Clean Transportation Funding through the 2017 LGPP, including identifying \$900,000 of the monies to be allocated to LASAN for its Electric Refuse Collection Vehicle Project, upon award acceptance; and

WHEREAS, a resolution (CF No. 11-0527-S5) was adopted and approved by the City Council and Mayor Eric Garcetti on May 2, 2018, authorizing the acceptance of \$3,000,000 grant award from the MSRC Clean Transportation Funding through the 2017 LGPP; and

WHEREAS, LASAN was notified by the MSRC on July 12, 2018 that its project proposal for the 2017 LGPP has been approved to receive the grant award of \$900,000; and

NOW THEREFORE, BE IT RESOLVED, that by adoption of this Resolution, with concurrence of the Mayor, that the City Council authorizes the Director of the Bureau of Sanitation, or designee, to execute all necessary contracts, agreements, amendments and payment requests for the purposes of securing the MSRC Clean Transportation Funding through the 2017 LGPP grant funds in the maximum amount of \$900,000, and to implement and carry out the purposes specified in the approved project proposal.

TRANSMITTAL NO.3

ERIC GARCETTI
MAYOR

April 9, 2018

Honorable Members of the City Council
c/o City Clerk
Room 395, City Hall

Re: Notification of Application and Request for Authority to Accept the \$3,000,000 Grant Award from the Mobile Source Air Pollution Reduction Review Committee's (MSRC) Clean Transportation Funding through the Local Government Partnership Program (Program), for five year period starting upon contract execution

Honorable Members:

The City of Los Angeles (City) has been awarded a \$3,000,000 grant from the Mobile Source Air Pollution Reduction Review Committee's (MSRC) Clean Transportation Funding through the Local Government Partnership Program (Program), which emphasizes an accelerated transition to zero emission vehicles along with essential supporting infrastructure. The goal of the Program is to jumpstart the implementation of air quality improvement measures to achieve mandated reductions in smog-forming pollutants. Eligible project categories for the MSRC funding include light-duty zero emissions vehicle purchases or leases, medium and heavy-duty zero emission vehicle purchases, and electric vehicle charging infrastructure (EVSE) installation.

To this end, the Bureau of Street Lighting (BSL) will deploy streetlight EV chargers; the Department of Transportation (DOT) will help offset the purchase of electric buses for the DASH and implement a Taxi Electrification Pilot, the Bureau of Sanitation will purchase medium and heavy-duty electric refuse collection vehicles; the Bureau of Street Services will purchase a medium duty electric street sweeper, the General Services Department (GSD) will purchase a medium duty electric truck or van, and the Los Angeles Police Department will purchase electric motorcycles.

Dept.	Project(s)	Amount
BSL	Street light chargers	\$300,000
DOT	Bus and Taxi Electrification	\$1,600,000
Sanitation	Electric Refuse Collection Vehicle	\$900,000
BSS	Electric Street Sweeper	\$85,000
GSD	Med. Duty Electric Truck or Van	\$90,000
LAPD	Electric Motorcycle	\$25,000
	Total	\$3,000,000

The MSRC funding will contribute a portion to each eligible project's total cost. The balance of each project's cost must be borne by the City, however, there is no restriction on the source of match funding brought to each project.

RECOMMENDATIONS

It is therefore requested that the City Council.

1. **Authorize** the Mayor, or designee, to:
 - a. Accept the Mobile Source Air Pollution Reduction Review Committee's (MSRC) Clean Transportation Funding in the amount of \$3,000,000 for a project period of five years from the contract being executed;
 - b. Negotiate and execute the Grant Award Agreement and submit any other necessary agreements and documents relative to the grant award, subject to the review of the City Attorney as to form;
 - c. Negotiate and execute a contract with South Coast Air Quality Management District in an amount of \$3,000,000, for the performance period of the grant, subject to the approval of the City Attorney as to form;

Honorable Members of the City Council
April 9, 2018
Page 3

2. **Authorize** the Department of Transportation to receive the grant funds and deposit into the Transportation Grant Fund, Fund No. 655, and appropriate therefrom within the same fund an account titled "MSRC Clean Transportation" for the implementation of the program.

3. **Authorize** the Mayor, or designee, to prepare Controller's instructions and/or make technical adjustments, subject to the approval of the City Administrative Officer and authorize the Controller to implement these instructions.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Garcetti", with a horizontal line extending to the right.

ENERGY, CLIMATE CHANGE, AND ENVIRONMENTAL JUSTICE COMMITTEE REPORT relative to authorization to accept a \$3,000,000 grant award from the Mobile Source Air Pollution Reduction Review Committee's (MSRC) Clean Transportation Funding through the Local Government Partnership Program.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. AUTHORIZE the Mayor, or designee, to:
 - a. Accept the MSRC Clean Transportation Funding in the amount of \$3,000,000 for a project period of five years from the contract being executed.
 - b. Negotiate and execute the Grant Award Agreement and submit any other necessary agreements and documents relative to the grant award, subject to the review of the City Attorney as to form.
 - c. Negotiate and execute a contract with South Coast Air Quality Management District in an amount of \$3,000,000, for the performance period of the grant, subject to the approval of the City Attorney as to form.
2. AUTHORIZE the Los Angeles Department of Transportation (LADOT) to receive the grant funds and deposit into the Transportation Grant Fund, Fund No. 655, and appropriate therefrom within the same fund an account titled *MSRC Clean Transportation* for the implementation of the Program.
3. AFFIRM that City Council is in receipt of the presentation submitted by the Mayor on April 17, 2018, attached to the Council file.
4. AUTHORIZE the Mayor, or designee, to prepare Controller's instructions and/or make technical adjustments, subject to the approval of the City Administrative Officer (CAO); and, AUTHORIZE the Controller to implement these instructions.

Fiscal Impact Statement: None submitted by the Mayor. Neither the CAO nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

Summary.

On April 17, 2018 your Committee considered an April 9, 2018 Communication from the Mayor relative to authorization to accept a \$3,000,000 grant award from the MSRC Clean Transportation Funding through the Local Government Partnership Program. According to the Mayor, the City has been awarded a \$3,000,000 grant from the MSRC Clean Transportation Funding through the Local Government Partnership Program (Program), which emphasizes an accelerated transition to zero emission vehicles along with essential supporting infrastructure. The goal of the Program is to jumpstart the implementation of air quality improvement measures to achieve mandated reductions in smog-forming pollutants. Eligible project categories for the

MSRC funding include light-duty zero emissions vehicle purchases or leases, medium and heavy-duty zero emission vehicle purchases, and electric vehicle charging infrastructure (EVSE) installation.

The Bureau of Street Lighting will deploy streetlight EV chargers; the LADOT will help offset the purchase of electric buses for the DASH and implement a Taxi Electrification Pilot; the Bureau of Sanitation will purchase medium and heavy-duty electric refuse collection vehicles; the Bureau of Street Services will purchase a medium duty electric street sweeper, the General Services Department will purchase a medium duty electric truck or van, and the Los Angeles Police Department will purchase electric motorcycles. The MSRC funding will contribute a portion to each eligible project's total cost. The balance of each project's cost must be borne by the City, however, there is no restriction on the source of match funding brought to each project.

After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations in the April 9, 2018 Communication from the Mayor, as amended, and detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

ENERGY, CLIMATE CHANGE, AND ENVIRONMENTAL JUSTICE COMMITTEE

Funding For Medium-Duty Vehicles and EV Charging Infrastructures**

Dear Ms. Tran:

The South Coast Air Quality Management District Governing Board approved funding for your project on July 6, 2018. Congratulations on the success of your MSRC proposal and subsequent award of funds in the amount of \$900,000.

MSRC staff will contact you with a contract detailing how work, payments, reports, etc., will occur. Generally, you should not start work until a contract has been executed. Any costs incurred prior to contract execution shall be incurred solely at your own risk.

If you have any questions regarding this award of funds or the process that will take place, please contact me at (909) 396-3269.

I look forward to working with you.

Sincerely,

Cynthia Ravenstein
MSRC Contracts Administrator
