Councilmember Bill Rosendahl, Chair
Transportation Committee
Attn: John White

RE: Transmittal Letter

On May 8, 2012, the Chair of the Audits and Governmental Efficiency Committee considered an October 19, 2011 Office of Finance and October 11, 2011 Police Commission reports relative to the feasibility of requiring the installation of revenue control equipment at all Police Commission permitted auto parks. After consideration and having provided an opportunity for public comment, the Committee Chair moved to make the following recommendations:

- 1) Request the City Attorney, with the cooperation of the Office of Finance, prepare and present to amend the Los Angeles Municipal Code (LAMC) to require all auto park operators to post a bond to satisfy delinquent parking occupancy tax.
- 2) Request the City, with the assistance of the Office of Finance, prepare and present to amend the LAMC to provide that any auto park that has any delinquent taxes or any unregistered or non-permitted auto park be required to install revenue control equipment that has the ability to accept credit/debit cards and monthly parking as a condition for granting a permit.
- 3) Suspend an auto park permit upon finding or withholding of funds or preventing City auditors from inspecting/auditing parking activity, and hold suspension until specified conditions are met.

This file is now being transmitted to the Transportation Committee for further action.

Adam R. Lid
Legislative Assistant
Audits and Governmental Efficiency Committee
