TO CITY CLERK FOR PLACEMENT ON NEXT MOTION REGULAR COUNCIL AGENDA TO BE POSTED	55
---	----

On March 5, 2002, under Council File No. 01-1459, the City Council adopted new procedures for processing street vacations, which require the adoption of a Rule 16 motion to initiate street vacation proceedings at the request and instance of an application from the petitioner. Under these new procedures, when a petitioner submits an application and a fee deposit to the Bureau of Engineering, the Chair of the Public Works Committee is required to introduce a motion for the purpose of initiating the investigation of the vacation.

The City Council on January 14, 2009, under Council File No. 06-2822, conditionally approved the vacation of the alley southeasterly of Bixel Street from 6th Street to approximately 420 feet southwesterly thereof. The vacation conditions were not complied with prior to the expiration of the vacation approval.

Emily Cohen, on behalf of the G.H. Palmer and Associates, owner of the properties legally described as Lots 79 through 86, of Subdivision of the Lands of St. Paul's School; and, and Lots 64 through 66, of Replat of Lots 64-65-66-67 and 67 1/2 of the Subdivision of the Lands of St. Paul's School Tract; has submitted a new application requesting to vacate the same street, located in Council District 1.

Additionally, the adoption of the following recommendations does not constitute or imply approval of the vacation.

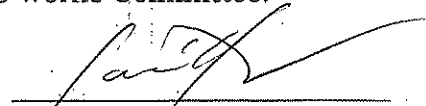

I THEREFORE MOVE that upon adoption of this motion, street vacation proceedings be initiated pursuant to California Streets and Highways Code, Division 9, Part 3, Public Streets, Highways and Service Easements Vacation Law.

I FURTHER MOVE that the Bureau of Engineering be directed to process this vacation request under Council File No. 06-2822, Engineering work order No. E1401027.

I FURTHER REQUEST that the City Clerk append this Motion to Council File No. 06-2822.

I FURTHER MOVE that the Bureau of Engineering present its report regarding the feasibility of vacating the requested area to the Public Works Committee.
