Subject: **COMMUNITY IMPACT STATEMENT – REGARDING THE PROPOSED
 MURAL ORDINANCE CF 11-0923**

At a Brown Act General Board Meeting (May 16th, 2013) the North Hills West Neighborhood Council, and with a proper vote taken, the prevailing decision of the North Hills West Neighborhood Council was to support the Mural Ordinance, however, we request that the Ordinance be revised to exclude any and all digital signs as well as painted murals placed on single family homes as well as condominiums and townhouses.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra Francisco", written in a cursive style.
