Summary: The Encino Neighborhood Council opposes Council File 11-1020-S3. Neighborhood Councils form alliances or advocacy groups when they want to join together to work on something of common interest. We want to be able to contribute specifically to alliances or advocacy groups we support. The name of the overall fund is not important. What is important is that every recognized alliance or advocacy group has the ability to raise its own funds and those funds are reserved for its use and its use alone. Our Neighborhood Council wants the ability to direct our funds to a specific alliance or advocacy group and not to a fund that is allocated without our input. We ask that the City Council motion contained in CF 11-1020-S3 be amended to make this clear.
