Pursuant to Council motion adopted on January 31, 2014 (Council File No. 11-1128), City Council requested legal advice concerning the legal authority of the City to adopt an ordinance requiring all tour buses with open, roof-top seating to install a headphone-based system so that sound cannot be heard by residents. On June 12, 2015, this Office provided the City Council with a confidential report providing our legal analysis on this topic.

If a member of the City Council or the Mayor have any questions concerning our report, please contact Deputy City Attorney Michael Nagle at (213) 978-8130.

Very truly yours,
