Summary: Dear Honorable PLUM Committee Members, It has been brought to my attention there seems to be some possible confusion as to the list of NCs who submitted CISs to CF# 11-1705 as delineated on your agenda for tomorrow. The list appears to be misleading with respect to the actual positions of those NCs hence my correspondence today. I want to insure the position of the RVNC is clear. The Rampart Village Neighborhood Council stands in SUPPORT of "Version B+" and stands in OPPOSITION to the City Council's Planning & Land Use Management Committee's proposed ordinance adopted December 12, 2017. (See attached Transmittal Letter) For your deliberations, I believe it is paramount you have the most accurate picture possible of the positions NCs have taken on this item. I highly recommend you not rely on the list of for-and-against on your agenda but instead rely on the actual CISs submitted. Thank you for your attention to this matter. Diversity Is Our Strength!
