Item Number: 9.B

Summary: West Adams Neighborhood Council supports Version B+ of the proposed sign ordinance as approved by the City Planning Commission on September 24 and October 22, 2015, and not the expansions and changes proposed at the Planning Land Use Management committee meeting of August 13, 2019. Their proposed model does not protect the environment of our communities. The incessant blinking of these signs can cause disruption to human and wildlife sleep patterns and will lead to further blight and become distractions to our motorists, pedestrians, and cyclists.
