Summary: At our last meeting, the Northwest San Pedro Neighborhood Council unanimously adopted a resolution with regard to the proposed Sign Ordinance. We feel very strongly that both downtown San Pedro (as a regional center) and the Port of Los Angeles should be deleted from that ordinance as potential sign districts. These actions would be consistent with your efforts, which we greatly appreciated, that resulted in the City purchasing the parcel at the end of the Harbor Freeway. Furthermore, at our request, the Port previously paid to remove the billboards on their North Gaffey property. As you are working diligently to improve our community, please do not provide an entree for potentially more billboards
