SUMMARY

In a report to the Mayor and Council dated October 16, 2013 (attached to the Council file), the CA states that the City Attorney requests authority to accept grant funding from the California Victim Compensation and Government Claims Board for the Joint Powers of Verification Unit Funding in the amount of

\$689,354 as reimbursement for staff conducting claims verifications from July 1, 2013 to June 30, 2014. The CAO reports that grant funding will be used for salaries, operating expenses, fringe benefits, and partial central services costs for eight positions. These positions will assist victims of crime in submitting and verifying claims for unreimbursed financial losses. According to the City Attorney's Office, approximately 2,425 new claims and 13,567 continuing claims for medical/mental health expenses, loss of support, wage loss, funeral expenses and moving/relocation expenses were processed in 2012-13. The CAO recommends approval of the City Attorney's request and related actions necessary to receive and process the grant award.

At its meeting held October 25, 2013, the Public Safety Committee recommended that Council authorize the City Attorney to accept the grant funds described above and approve the related actions above, as recommended by the CAO.

Respectfully Submitted,
