

CITY OF LOS ANGELES
INTER-DEPARTMENTAL CORRESPONDENCE

Date: June 10, 2013

To: The City Council

From: Miguel A. Santana, City Administrative Officer

Subject: **SALARY RANGE ADJUSTMENT FOR THE CHIEF AIRPORTS ENGINEER –
CF No. 11-1842-S1**

On June 3, 2013, the Executive Employee Relations Committee (EERC) approved salary adjustments as indicated below for the classification of Chief Airports Engineer. The classification is exclusive to the Los Angeles World Airports (LAWA) and the adjustments were requested by LAWA as a result of salary compaction with the subordinate classification of Senior Airport Engineer. The recommended salary adjustment will preclude the need to provide a salary differential in accordance with the Los Angeles Administrative Code and/or any applicable Memorandum of Understanding.

| Existing Supervising Classification | Salary Range | | Differential | |
|--|-----------------------|-----------------------|--------------|----------|
| | July 1, 2013 | Proposed | Current | Proposed |
| Senior Airport Engineer II | \$129,289 - \$160,609 | No change | | |
| Chief Airports Engineer I | \$118,014 - \$146,619 | \$136,493 - \$169,566 | -8.7% | 5.5% |
| Chief Airports Engineer II | \$138,001 - \$171,863 | \$144,093 - \$179,025 | 17.2% | 5.5% |

RECOMMENDATION:

It is recommended that the City Council:

- Approve an amendment to MOU 36 adjusting the salary for the classification of Chief Airports Engineer (7274/1-2) as follows:

| | | |
|----------------------------|------------|-----------------------|
| Chief Airports Engineer I | Range 6537 | \$136,493 - \$169,566 |
| Chief Airports Engineer II | Range 6901 | \$144,093 - \$179,026 |
- Authorize the Controller and the City Administrative Officer to correct any clerical or technical errors and amend the salary appendices for Memorandum of Understanding 36 to reflect the amended salaries for the classification of Chief Airports Engineer.

Fiscal Impact Statement

There is no impact to the General Fund as these are obligations of Los Angeles World Airports.
