SUMMARY

In a report to Council dated May 31, 2017, the CAO states that the Mayor's GRYD Office requests authority to accept up to \$154,000 in PILOT funds for safe passages activities (volunteers that patrol streets to and from schools and GRYD programs) serving HACLA public housing sites in South Los Angeles. According to the CAO, the Mayor's GRYD Office contracts with community-based prevention and intervention providers to provide GRYD services to youth and young adults ages 10-25 to reduce crime and violence associated with street gangs. The CAO recommends approval of the Mayor's request.

At its meeting held June 12, 2017, the Public Works and Gang Reduction Committee recommended that Council approve the Mayor's request to accept the PILOT funds from HACLA for GRYD Program activities, as recommended by the CAO.
