Subject: **FUND TRANSFER - 2011 FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) / URBAN SEARCH AND RESCUE (US&R) TASK FORCE READINESS COOPERATIVE AGREEMENT**

SUMMARY

On January 13, 2012, the City Council approved the 2011 Federal Emergency Management Agency (FEMA)/ Urban Search and Rescue (US&R) Task Force Readiness Cooperative Agreement Grant (C.F. 11-1941) in the amount of \$1,085,079 for the Los Angeles Fire Department (LAFD) to continue the development and maintenance of US&R Response System resources. The FEMA grant, authorized for use during an 18-month period, from August 1, 2011 through January 31, 2013, did not require City matching funds and provided for the purchase of needed equipment, uniforms, supplies, and training. On January 9, 2013, FEMA extended this agreement to January 31, 2014 in order to complete the grant expenditures as part of the 2011 Statement of Work.

This no-match reimbursement grant has a remaining unspent balance of \$130,000. As a host and sponsor of California Task Force 1 (CA-TF1) the LAFD advances funding from its General Fund budget, and as costs are incurred, the Department's FEMA grant manager validates expenditures according to FEMA financial guidelines. Once expenditures are approved, funds are drawn down to reimburse the LAFD General Fund accounts. All expenditures are reimbursed by the FEMA grant on an on-going basis, as expenditures are processed according to City procedures.

RECOMMENDATIONS

That the City Council, subject to the approval of the Mayor:

1. Transfer up to \$130,000 from Fund No. 100/38, Account No. 1012 (Sworn Salaries) to Fund No. 335/38, Account No. 38011R, to support the necessary expense and purchase of equipment items that will be reimbursed by the FEMA grant;

2. Authorize the Fire Chief, or designee, to deposit the FEMA grant funds received under this cooperative agreement into Fund No. 335 (Fire Department Grants), Department No. 38;
3. Transfer FEMA grant funds, from Fund No. 335/38 Account 38011R to Fund No. 100/38, Account 1012 (Sworn Salaries), based on Fire Department submissions to the City Administrative Officer (CAO) documenting actual costs incurred for this FEMA Urban Search and Rescue no-match Cooperative Agreement Program through the end of the grant term of January 31, 2014;
4. Transfer the uncommitted balance of advanced funds as of February 1, 2014 from Fund No. 335/38, Appropriation Account No. 38011R to Fund No. 100/38, Account No. 1012 (Sworn Salaries) to meet payroll needs; and,
5. Authorize the Fire Department to prepare Controller's instructions for any technical adjustments, subject to the approval of the City Administrative Officer, and authorize the Controller to implement the instructions.

FISCAL IMPACT STATEMENT

The recommended actions will not have a fiscal impact on the City's General Fund. The acceptance and use of the FEMA grant funds is consistent with the City's Financial Policies in that Federal grant funds will be used for one-time expenses to support the continued development and maintenance of the US&R Task Force.

Summary:

On April 4, 1993, the Mayor and City Council authorized the LAFD to execute a Memorandum of Agreement (MOA) with the Governor's Office of Emergency Services and the FEMA. These actions established LAFD as a sponsoring agency and host of a FEMA US&R Task Force, California Task Force 1 (CA-TF 1). Through the MOA, FEMA supports CA-TF 1 annually using a Cooperative Agreement (attached) to fund the program. The Agreement supports an equipment cache, CA-TF 1 member training, and full-time personnel to manage the cache and administrate CA-TF 1's US&R program.

FEMA's ongoing method of supporting US&R Task Forces throughout the country is by funding Cooperative Agreement Grants to sponsoring agencies for necessary equipment, training, supplies, and program administration costs. On January 13, 2012, the Council accepted a FEMA Cooperative Agreement Grant (EMW-2011-CA-00049) in the amount of 1,085,079 for a period of August 1, 2011 through January 31, 2013. (C.F. 11-1941). On January 9, 2013, FEMA extended this Agreement until January 31, 2014 in order to complete the grant expenditures as part of the 2011 Statement of Work. The period of performance of this grant spans over three fiscal years, therefore the transfer of funds is needed to complete the goals of this grant.

The Agreement's funding mechanism uses a "draw-down" system where the LAFD loans funds from its existing general fund accounts for CA-TF 1 expenditures, which is reimbursed by drawing down from the grant award and reimbursing LAFD accounts. The Agreement does not require a cost-share by either the Department or City. All grant mandated expenditures shall be reimbursed from the FEMA US&R account in a timely, on-going basis, as expenditures are processed according to City procedures.

Fiscal Impact:

The Department needs to transfer \$130,000 from Department 38, Fund 100, Account 001012 (Salaries, Sworn) to Department 38, Fund 335, Account 38011R to support the expense and equipment purchases necessary for the programs operations in Fiscal Year 2013-2014.

The 2011 Cooperative Agreement is a fully reimbursable, "draw-down" grant with no cost-share. There is no long-term fiscal impact.

Conclusion:

As the sponsoring agency of a US&R Task Force, CA-TF 1, the LAFD receives annual grants to support, maintain, and enhance CA-TF 1's readiness. The report recommendations are necessary to ensure that appropriate accounting and financial procedures are in place to allow the LAFD to expend the grant funds. This is a no-match reimbursement grant of \$1,085,079 of which \$130,000 remains available for expense and equipment.
