SUMMARY

At a meeting held on February 13, 2013, the Chair and member of the Housing, Community and Economic Development Committee considered a report from the LAHD dated January 3, 2013, and a report from the CAO dated February 12, 2013, relative to authorization for the LAHD to execute three-month amendments to various current technical services contracts for the term beginning January 1, 2013 through March 31, 2013.

A representative of the CAO appeared before the Committee Chair and member to report that the LAHD recently released a Request for Proposals to establish new contracts for technical services and is currently in the process of evaluating and scoring the 23 proposals received. However, the LAHD is requesting to extend the current technical services contracts for three months from January 1, 2013 through March 31, 2013 in order to provide for continuity of service until the new contracts are in place. No additional funding will be required. The 16 technical services contracts to be extended are listed on Attachment A of the CAO report dated February 12, 2013.

After providing an opportunity for public comment, the Committee Chair and member recommended Council approve the recommendations contained in the CAO report. This matter is now forwarded to the Council for its consideration.

Respectfully submitted,

COUNCILMEMBER RICHARD ALARCÓN, CHAIR
HOUSING, COMMUNITY AND ECONOMIC DEVELOPMENT COMMITTEE

COUNCILMEMBER HERB J. WESSON, JR., MEMBER
