RE: Temporary Closure of Walkways  
14700 Block of San Fernando Mission Road

Dear Mr. Yew:

Thank you for including the California Department of Transportation (Caltrans) in the review process for your request for the temporary closure of Walkways Northeasterly of Sharp Avenue, between San Fernando Mission Boulevard and MacNeil Street.

Based on the information provided in your request, Caltrans has no objections to the proposed temporary sidewalk closures. However, if any construction or traffic control activity is expected to occur within the State's right-of-way, proper encroachment permits must be secured prior to the start of work.

If you have questions regarding Caltrans Encroachment Permit process, please contact the Office of Permits at (213) 897-3631.

Sincerely,
