Dear Mr. Yew:

Thank you for including the California Department of Transportation (Caltrans) in the review process for the above referenced project. The proposed Project includes the temporary closure of three walkways northeasterly of Sharp Avenue between San Fernando Mission Boulevard and MacNeil Street.

Per Relinquishment of Highway Right of Way Request No. 414, dated 21 April 1966, the proposed work area was relinquished to the City of Los Angeles. Caltrans has no objection to the temporary closure of the walkway.

Please keep in mind, an encroachment permit will be required for any work proposed on or near the Caltrans Right of Way and all environmental concerns must be adequately addressed.

In the spirit of cooperation, Caltrans staff is available to work with your planners and traffic engineers for this project, if needed. If you have any questions regarding these comments, please contact project coordinator Mr. Todd Davis, at (213) 897-0067 and refer to GTS# 07-LA-2018-02009TD.

Sincerely,

MIYA EDMONSON
IGR/CEQA Branch Chief
