Summary: Motion: The Studio City Neighborhood Council voted unanimously in favor of being Against the recommendations of the Ethics Commission August 21, 2018 12-1269-S5 (CFMS) unless the following revisions are made: 1) Remove the threshold requirements to receive minimum amounts of qualified contributions, depending on the office sought (\$25,000 for City Council; \$75,000 for Controller or City Attorney; \$150,000 for Mayor). 2) Amend LAMC 49.7.22 - 49.7.30, LAAC 24.31 et seq. to clarify that qualifying ballot signatures shall be considered in-kind campaign contributions valued at \$10 each and shall be eligible contributions for ALL candidates who opt in to the public matching program or enact rules that would achieve the same result. 3) Amend the Debate requirement as written so that candidates would be required to actually participate in 2 debates in the Primary election and 2 debates in the General election. In order to ensure equitable face-to-face meetings of the candidates delete the word Town Hall. Pursuant to Charter Section 703, City Council may need to disapprove this ordinance prior to the October deadline so that the Ethics Commission may consider our amendments. Therefore the Studio City Neighborhood Council urges Council to disapprove of the ordinance as written in CF 15-1088-S1 and CF 12-1269-S5 and send them back to the Ethics Commission for amendment before returning to council.
