## SUMMARY

In a report to the Mayor and Council dated November 4, 2013 (attached to the Council file), the CAO states that the LAPD requests retroactive approval to apply for and accept a \$393,579 grant award from the Los Angeles County Probation Department for the 2013-14 Juvenile Justice Crime Prevention Act program.

According to the CAO, the Juvenile Justice Crime Prevention Act grant is a state grant administered by the Los Angeles County Probation Department to provide prevention and intervention programs for at-risk youth and their families who reside in recipient jurisdictional boundaries and attend school in identified School District Service Areas. Grant funds are used by the LAPD to help implement High Risk/High Need and Safe Passages/Safe Zones programs that focus on curtailing juvenile delinquency through prevention and intervention services. The Safe Passages/Safe Zones program aims to allow students and their families to safely engage in daily activities including attending school and obtaining community services in or in close proximity to schools, parks, and housing projects that are designated Juvenile Justice Crime Prevention Act sites. As part of this program, LAPD provides enhanced patrol services, probation check-ins to offer assistance and community partner service referrals, monitoring gang activity and violations, and conducting truancy and curfew sweeps. Additionally, area youth participate in LAPD's Cadet Program. Grant funds will be used for LAPD personnel overtime, uniforms for Cadet Program participants, and office equipment and supplies.

On October 8, 2013, the Board of Police Commissioners approved LAPD's request for authority to apply for and accept the Justice Crime Prevention Act grant. The CAO concurs with this action.

At its meeting held November 8, 2013, the Public Safety Committee recommended that Council authorize LAPD to accept this grant, as recommended by the Board of Police Commissioners and the CAO.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
