Summary:

On June 13, 2014, your Committee considered May 20, 2014 Board of Police Commissioners and June 6, 2014 CAO reports relative to the 2014-15 JJCPA Grant. According to the CAO, the JJCPA grant is a state grant administered by the LACPD to provide prevention and intervention programs for at-risk youth and their families who reside in recipient jurisdictional boundaries and attend school in identified School District Service Areas. The grant, which has been awarded annually to the City since 2001, assists the LAPD in implementation of its High Risk/High Need and Safe Passages/Safe Zones programs that focus on curtailing juvenile delinquency through prevention and intervention services. The Safe Passages/Safe Zones program aims to allow students and their families to safely engage in daily activities including attending school and obtaining community services in or in close proximity to schools, parks and housing projects that are designated JJCPA sites.

The High Risk/High Need program provides increased supervision to youth who are transitioning from probation camps to the community. LAPD responsibilities as part of these programs include enhanced patrol services, probation check-ins to offer assistance and community partner service referrals, monitoring gang activity and violations, and conducting truancy and curfew sweeps in coordination with the LACPD. Some of these activities include the involvement of youths from the LAPD Cadet Program, who work with officers in JJCPA sites and other youth to benefit the communities they reside in. The 2014-15 JJCPA grant provides funding for overtime for existing LAPD personnel, uniforms for Cadet Program participants, and office equipment and supplies.

After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the June 6, 2014 CAO report and detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
