## SUMMARY

In a report to the Mayor and Council dated December 20, 2013 (attached to the Council file), the CAO states that the City Attorney requests authority to accept supplemental grant funding in the amount of \$32,778 from the LAUSD for the anti-tobacco prevention campaign TIME Project. LAUSD received grant funds from the California Department of Education and awards funds to the City as a sub-grantee. The supplemental grant funding also extends the grant performance period end date to June 30, 2016. The City Attorney will use grant funds to provide assistance in the development of an anti-tobacco youth prevention campaign for LAUSD students, which includes raising awareness on illegal tobacco sales to

minors and point of purchase policies. The grant will fund two positions in the City Attorney's Tobacco Enforcement Program and operating supplies to be used in trainings. The CAO recommends approval of the City Attorney's request.

At its meeting held January 24, 2014, the Public Safety Committee recommended that Council approve the award of supplemental grant funds to the City Attorney, as discussed above, and as recommended by the CAO.

Respectfully Submitted,
