SUMMARY:

In a report to the Mayor and Council dated August 31, 2012 (attached to the Council file), the CAO states that the City Attorney requests authority to accept \$39,230 in grant funding for the Tobacco Industry Manipulation Exposed Project. The California Department of Education awarded LAUSD \$1,999,301 to prevent, reduce, and eliminate the use of tobacco through the Tobacco Use Prevention Education Program. The LAUSD awarded \$39,230 to the City as a sub-grantee. The City Attorney's Office will use the grant to provide assistance in the development of an anti-tobacco youth prevention campaign for students in the LAUSD.

The CAO reports that the grant will provide funding for two positions in the City Attorney's Tobacco Enforcement Program to develop a curriculum, conduct train-the-trainer sessions for teachers and staff, three follow-up programmatic visits, and 17 parent outreach sessions. The grant will also provide funding for vehicle usage and operating supplies, such as tobacco brochures to be distributed at trainings. The CAO recommends approval of the City Attorney's request.

At the Public Safety Committee meeting held September 28, 2012, the Committee Chair recommended that Council authorize the City Attorney to accept this grant award, as recommended by the CAO.

Respectfully submitted,

MITCHELL ENGLANDER, CHAIR
