TRANSPORTATION

MOTION

Traffic safety is an important concern on the City of Los Angeles' more than 6,499 miles of streets. The Los Angeles Department of Transportation (LADOT) targets safety traffic in order to achieve its goal of enhancing the quality of life in Los Angeles. The Los Angeles Police Department (LAPD) and other agencies partner with LADOT to promote traffic safety and raise safety awareness in the City.

The Los Angeles Department of Transportation mission is to provide for safe and optimal mobility of people and goods throughout the City of Los Angeles, in support of economic activity and a desirable quality of life.

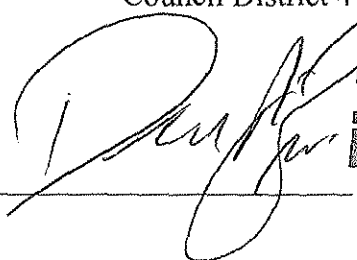

The Los Angeles Police Department mission to safeguard the lives and property of the people of the City, to reduce the incidence and fear of crime, and to enhance public safety while working with the diverse communities to improve their quality of life.

I THEREFORE MOVE that the LAPD and LADOT be requested to report on traffic safety awareness programs that can be implemented in order to ensure quality of life issues.
