## Council Action

The City Council ADOPTED the following recommendation(s), contained in a COMMUNICATION FROM THE CITY ATTORNEY which were WAIVED, pursuant to Council Rule 17, by the Chair of the Planning and Land Use Management Committee, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. FIND under the California Public Resources Code Section 21166 and the California Environmental Quality Act Guidelines Section 15162, on the basis of substantial evidence contained in the whole record, that since certification of Environmental Impact Report (EIR) No. ENV-2007-254-EIR (SCH 2007071036), on November 14, 2012, there have been no changes to the Project, changes with respect to the circumstances under which the Project is being undertaken, or new information of substantial importance concerning the Project, which cause new significant environmental effects or a substantial increase in the severity of previously identified significant effects, and therefore no additional environmental review is required for the Project.
2. ADOPT the FINDINGS of the Director of Planning as the Findings of the Council.
3. PRESENT and ADOPT the accompanying ORDINANCE establishing the Universal City Sign District, pursuant to the provisions of LAMC Section 13.11, covering an area bounded by the Los Angeles River Flood Control Channel on the north, Barham Boulevard on the east, W.C. Fields Drive (formerly Buddy Holly Drive) and the US 101 Freeway on the south, and Lankershim Boulevard on the west.
