SUMMARY

On February 26, 2016, Council considered Motion (Bonin – Blumenfield) relative to increasing the amount of the contract with Mariposa Landscapes, Inc., for on-going maintenance services for the Venice Canals and Ballona Lagoon. Motion states that the contract is operating on a month-to-month basis while the Bureau of Street Services is in the process of preparing a new Request for Proposals. It is anticipated that the bid selection process will be completed no later than June, 2017. When a new contract is executed with the successful bidder to perform the maintenance activities for the Canals, the month-to-month contract with Mariposa will be terminated. Motion movers recommend that Council increase the contract amount to continue Mariposa's on-going work maintaining the Venice Canals and Ballona Lagoon. Council referred Motion to the Public Works and Gang Reduction Committee for consideration.

At its special meeting held April 11, 2016, the Public Works and Gang Reduction Committee recommended that Council approve Motion's recommendations.

Respectfully Submitted,
