

# ITEM No. 10 - A

## M O T I O N

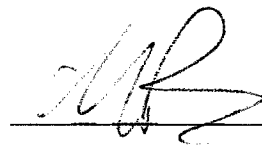

I MOVE that the matter of the Transportation Committee Report relative to the formulation of a multiple-provider carshare fixed-space and point-to-point carshare permit program, Item N. 10 on today's Council Agenda (CF 13-0192), **BE AMENDED** as follows:

1. Modify Recommendation No. 5 (c) of the Committee Report to change the operator insurance requirements for Comprehensive Automobile Liability for property damage from \$100,000 to \$25,000 per incident; and
2. Amend section 8.5 of the amended *Rules and Guidelines for Fixed Space Carshare Pilot Program and Free Floating Carshare Permit Pilot Program* to require vehicles to have emissions standards of 28 MPG at the start of the Pilot Programs, but to require that vehicles have emissions standards of 30 MPG by the end of the second year of the Pilot Programs and to further require that these emission standards be increased by one MPG per year after the end of the second year.
