SUMMARY

At its regular meeting held on February 19, 2014, the Public Works and Gang Reduction Committee considered the recommendations of the City Engineer as contained in its May 22, 2013 report. The City Engineer reports that the area sought to be vacated is a walkway southerly of 8th Street between Ogden Drive and Genesee Avenue (a map of the area is included as Exhibit B in the May 22, 2013 City Engineer report and is attached to the Council file). The purpose of the vacation is to clear title and eliminate the existing encroachment in the vacation area. This vacation procedure is being processed under procedures established by Council on March 5, 2002 as detailed in Council file No. 01-1459.

After having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations as contained in said City Engineer report and detailed above in Recommendation Nos. 1-6 with the amendment to delete Condition 5. This matter is now submitted to Council for its consideration.
