On June 29, 2012, the Council approved an ordinance amending Section 80.69.4 of the Los Angeles Municipal Code to revise the definition of oversize vehicles and to establish a procedure to investigate and make a determination regarding whether the parking of such vehicles between 2:00 a.m. and 6:00 a.m. on designated City streets is prohibited (C.F. 09-3036). When the ordinance was published as Los Angeles Municipal Code Section 80.69.4 (b)(1), however, the language did not reflect the language adopted by Council. In reviewing the program, the process reflected in LAMC Section 80.69.1(b)(1) is the most reasonable and expedient process.

I THEREFORE MOVE that the Council request the City Attorney to prepare and present an ordinance that allows the establishment of oversize vehicle restricted areas or streets by either a resolution or by a request from a Councilmember in which fewer than six street segments are impacted, as currently reflected in Los Angeles Municipal Code Section 80.69.4 (b)(1).
