Staff from the Department of City Planning gave the Committee background information on the matter. The representative for the applicant/appellant, members of the public, as well as staff from the Council District Five spoke.

After an opportunity for public comment, the Committee recommended that Council grant the appeal, and thereby approve a variance to permit a height of 50 feet in lieu of the 36 feet height limit, adopt the findings of the PLUM Committee, and adopt the Mitigated Negative Declaration, for a proposed project located at 360 North Stone Canyon Road. This matter is now submitted to Council for its consideration.
