MOTION

On March 5, 2002, under Council File No.01-1459, the City Council adopted new procedures for processing street vacations, which require the adoption of a Rule 16 motion to initiate street vacation proceedings at the request and instance of an application from a petitioner. Under these new procedures, when a petitioner submits an application and a fee deposit to the Bureau of Engineering, the Chair of the Public Works Committee is required to introduce a motion for the purpose of initiating the investigation of the vacation.

Los Angeles County Metropolitan Transportation Authority, owner of the properties legally described as Lots 34 through 37, of Tract No.7705, has submitted an application for a vacation located in Council District 4. The petitioner has also submitted a fee deposit to cover the cost of processing the vacation proceedings.

Additionally, the adoption of the following recommendations does not constitute or imply approval of the vacation.

I THEREFORE MOVE that upon adoption of this motion, street vacation proceedings to vacate a portion of the L-shaped alley northerly of Wilshire Boulevard and westerly of La Brea Avenue, be initiated pursuant to California Street and Highways Code, Division 9, Part 3, Public Streets, Highways and Service Easements Vacation Law.

I FURTHER MOVE that the Bureau of Engineering be directed to investigate the feasibility of this vacation request.

I FURTHER MOVE that the Bureau of Engineering present its report regarding the feasibility of vacating the requested area to the Public Works Committee.

I FURTHER MOVE that upon consideration and approval by the Public Works Committee, the City Clerk be directed to coordinate with Chair, subject to the concurrence of the Council President and schedule this request for the City Council's consideration at the appropriate time consistent with the public hearing requirement under California Street and Highways Code section 8320.
