**FACT SHEET**  
**SUPPLEMENTAL POLICE ACCOUNT**

The Supplemental Police Account (SPA), within the Forfeited Asset Trust Fund, is an allocation of \$1.5 million made to the Los Angeles Police Department (Department) by the City Council and the Mayor on an annual basis. The allocation is made in accordance with Administrative Code Section 5.115. Actual disbursement of these funds can occur only after expenditure plans are submitted to and approved by the City Council. With Department management input, Fiscal Operations Division (FOD) prepares the annual expenditure plans based upon operational needs associated with contraband, informants, equipment needs, miscellaneous operational expenses, and travel and training expenses. Supplemental Police Account Plans are divided into four categories: Narcotics/Informants Expenses, Miscellaneous Operational Expenses, Equipment, and Travel and Training.

Funds in the category of Narcotics/Informants Expenses are used to purchase narcotics and pay informants. The use of informants in major narcotic investigations is a significant tool and they are provided payment for the information. The purchase of narcotics is a law enforcement tool of nearly equal importance to payments for information. The money expended to purchase narcotics often reaps tremendous gains in the area of drug enforcement.

Funds in the category of Miscellaneous Operational Expenses are used by various divisions to support their investigative and operational expenses, as well as augment funds needed to update electronic systems. Each SPA plan includes an addendum detailing the items for which the funds will be used. These items include cellular telephone and pager service, car rentals, equipment repairs and maintenance cost, costs of service, such as digital package data service for tracking systems, veterinarian services, information database retrieval and system upgrades, but may vary among plans.

Funds in the category of Equipment are used by various divisions to purchase equipment. Each SPA plan includes an addendum that reflects the current need for safety and support equipment required to bolster law enforcement activities in Los Angeles that will be purchased.

Funds in the category of Travel and Training are used to send Department personnel to various locations for travel and training.
