RE: COUNCIL FILE TRANSMITTAL

On December 4, 2013, the Public Works and Gang Reduction Committee considered a Motion (Buscaino - Cedillo) relative to amending the Los Angeles Municipal Code to eliminate any fees associated with sidewalk construction, reconstruction and repair that is undertaken by the adjoining property owner. After consideration, the Committee moved to approve the recommendations contained in the Motion as amended to read, "request the City Attorney, with the cooperation and assistance of the Bureaus of Engineering and Street Services, to prepare and present an ordinance amending the Los Angeles Municipal Code to eliminate any fees associated with sidewalk reconstruction and repair that is undertaken by the adjoining property owner." This file is now transmitted to the Budget and Finance Committee.
