PUBLIC WORKS & GANG REDUCTION

MOTION

The Los Angeles Dodgers organization would like to paint the Chinatown Pedestrian Bridge over the Pasadena Freeway with their signature blue color and the team's name. Caltrans allows local jurisdictions to provide community identification on Caltrans structures with clear procedures, including the type of paint, maintenance responsibilities, and implementation coordination. An important requirement is that the City of Los Angeles must officially support the proposal, allow access to the bridge and provide funds for the initial painting and the ongoing maintenance. The Dodgers have agreed to provide all of the necessary funds for the project.

I THEREFORE MOVE that the Council request the City Attorney, in coordination with the Department of Transportation, to prepare and present the necessary agreements with Caltrans and the Los Angeles Dodgers for the painting and ongoing maintenance of the Chinatown Pedestrian Bridge over the Pasadena Freeway.
