

#2

Date: 11/20/13
Submitted in PWGR Committee
Council File No: 13-1197
Item No.: 2
Deputy: COMM. FROM CM. KORETZ

From: Councilmember Paul Koretz

To: Public Works and Gang Reduction Committee

I request that Item No. 2 (Council File No. 13-1197) on the Public Works and Gang Reduction Committee agenda today concerning the Motion (Koretz-Huizar) recommendations relative to removing the street widening requirement on 8511 West Beverly Place be deleted and replaced to read as follows:

I THEREFORE MOVE that the Department of City Planning be directed to modify Case No. ZA 2010-1780 (ZV) such that Condition No. 17 (a) shall adopt the recommendations of the Bureau of Engineering's report of March 12, 2013, except that the condition which now reads as follows shall be deleted:

"Beverly Place - Construct additional surfacing to join the existing improvements to provide a 20-foot wide half roadway in accordance with Local Street standards, including asphalt pavement, integral concrete curb, 2-foot gutter, and concrete sidewalk. These improvements should suitably transition to join the existing improvements."

I FURTHER MOVE that the Department of City Planning be directed to modify Case No. ZA 2010-1780(ZV) such that Condition No. 17 (a) recommendations of the Bureau of Engineering's report of March 12, 2013 shall have the following condition replace the previously deleted condition:

"Beverly Place - Construct additional concrete sidewalk in the newly dedicated area. Construct a new curb ramp at the northwest corner of La Cienega Boulevard and Beverly Place. Repair any broken, bad order, or off-grade curb, gutter, or sidewalk. Close unused driveway aprons with standard curb heights, concrete sidewalk, and gutter."

I FURTHER MOVE that Condition 20 of the determination letter requiring stamped concrete be deleted.

I FURTHER MOVE that all other conditions of the March 12, 2013 report remain unchanged.
