## SUMMARY

In a report dated September 11, 2013 (attached to the Council file), LADOT recommends that Council approve the establishment of TPPD No. 185 for Mulholland Drive, La Cuesta Drive, and Del Zuro Drive north of Runyon Canyon Park. The Department has determined that the volume of vehicles parked on Mulholland, La Cuesta, and Del Zuro Drives by users of Runyon Canyon Park have inconvenienced residents by limiting access to their property for them and their guests. A map of the proposed TPPD is attached to the Council file. The Council Office has expressed support for the TPPD.

At its meeting held October 9, 2013, the Transportation Committee recommended that Council approve actions necessary to establish TPPD No. 185, as recommended by LADOT.

Respectfully Submitted,
