

**HEALTH, EDUCATION, AND NEIGHBORHOOD COUNCILS COMMITTEE REPORT**  
relative to the renewal of the 16 HIV Prevention Program service provider contracts.

Recommendation for Council action:

AUTHORIZE the Executive Director, Los Angeles Department on Disability (LADOD), or designee, to execute the proposed 16 HIV Prevention Program service provider contract amendments for an additional term of one year and a total of \$935,000, subject to the availability of funds, and further subject to the approval of the City Attorney as to form.

Fiscal Impact Statement: The LADOD reports that it has sufficient funds in the amount of \$964,000 in the 2017-18 Adopted Budget. \$935,000 will fund the proposed Contract amendments. The LADOD intends to use the remaining \$29,000 for a research study Request for Proposal (RFP) focusing on rising HIV infection rates among young gay and bisexual men of color. The research study RFP will be addressed separately. The recommendation of this report complies with the City's Financial Policies in that one-time funding will be used for one-time expenditures.

Community Impact Statement: None submitted.
