

ORDINANCE NO. 182813

An ordinance amending Section 41.59 of the Los Angeles Municipal Code to delete subsection (c)(2)(A), amending Section 42.00 of the Los Angeles Municipal Code to add certain definitions and revise the prohibition on street vending, and amending Section 42.03 of the Los Angeles Municipal Code to revise certain provisions regarding the sale of tickets.

WHEREAS, the City of Los Angeles is home to more than 3.5 million residents and the availability of first class urban facilities, services and entertainment make the City a very desirable place to work and visit. Population density and congestion present threats to the quality of life in the City, particular in the City's many business and entertainment districts; and

WHEREAS, governmental regulation of street and sidewalk safety is a legitimate exercise of the police power of the City; and

WHEREAS, the City has broad powers to control the conduct of commercial activity on its streets and sidewalks and there is no vested right to do business upon the public streets and sidewalks; and

WHEREAS, to protect the public health and safety and ensure safe pedestrian and motorist traffic, the City needs equitable, uniform vending regulations. The City seeks to adopt regulations in a manner that respects and protects the constitutional rights of people using streets and sidewalks which are quintessential public fora; and

WHEREAS, unregulated vending in City streets and sidewalks contributes to congestion in City streets and on City sidewalks and thereby impedes the orderly movement of pedestrian and motorist traffic. The unregulated use of congested streets and sidewalks by vendors can make the streets and sidewalks unsafe for pedestrians, motorists and vendors; and

WHEREAS, unregulated vending can result in the sale of stolen, defective or counterfeit merchandise and causes visual clutter/blight on City streets and sidewalks; and

WHEREAS, unregulated vending of services can result in activities that are illegal and harmful to human health, including services by unlicensed vendors of services for which a license is required by the State of California, physical assaults and the application of toxic chemicals to persons; and

WHEREAS, the business of selling tickets of admission other than from regularly established ticket offices in public places can result in the sale of counterfeit tickets thereby defrauding the public and is contrary to and adversely affects the peace, safety and welfare of the City's residents, workers and visitors; and

WHEREAS, selling tickets of admission from regularly established ticket offices in public places reduces the occurrence of counterfeit tickets by allowing the customer the ability to return to the ticket office if there are any problems with the ticket. That recourse generally is not available with itinerant commercial ticket sellers; and

WHEREAS, it is not the intent of the City to prohibit the occasional ticket sale by a person not in the business or practice of selling tickets; and

WHEREAS, in years past, the City adopted various ordinances to regulate vending and aggressive solicitation in City streets and sidewalks, and the sale of tickets in streets, sidewalks and public places; and

WHEREAS, in recent years, court rulings have further delineated when and how municipalities can regulate activities in streets, sidewalks and other public places and this ordinance is intended to amend the City's existing laws to ensure consistency with these court rulings.

NOW, THEREFORE,
