Summary: The Arleta Neighborhood Council Board Members discussed the issues raised by Council File No. 13-1493, City of Los Angeles Street Vending policy, which requests a study of the feasibility of legalizing and permitting street vending of food and merchandise on City sidewalks and parkways. Stakeholders of our neighborhood Council are already negatively experiencing the impact of a large number of illegal street vendors of both food and merchandise. The Arleta Neighborhood Council does not support the proposal unless it is amended.
