Summary: There're many things that impact our community and the one in our community are Vendors on corners across our cities. Because of the unhealthy way the food is being prepare. No running water to wash their hands, wiping down equipment were they prepare the food.wearing protective glove.there could be a spreading of disease in our community. This could be solved with action of the Health Dept. going out checking on the Vendors operations if they are up to health codes to serve the public. With license.check consistancely.
