

INNOVATION, TECHNOLOGY and GENERAL SERVICES COMMITTEE REPORT relative to the California Energy Commission's (CEC) electric vehicle grant and the resources required to complete the grant application.

Recommendations for Council action, pursuant to Motion (Bonin - Fuentes):

1. INSTRUCT all departments that could benefit from additional funding for electric vehicle charging infrastructure projects, including but not limited to the Department of Water and Power, Department of General Services, Department of Transportation, Department of Recreation and Parks, Los Angeles World Airports, Harbor Department and the Los Angeles Police Department, to review the CEC electric vehicle grant information, and, if the department determines that it could benefit from a CEC grant and it has the resources necessary to complete the application, to prepare and submit the grant application package to the CEC for funding for electric vehicle infrastructure projects in Los Angeles by the grant application's January 28, 2014 deadline.
2. AUTHORIZE the participating departments to execute, in the name of the City of Los Angeles, all necessary applications, contracts, agreements and amendments thereto to implement and carry out the grant application package.
3. INSTRUCT any department with a proposed electric vehicle infrastructure project, which determines that it does not have the resources needed to complete this grant application, to report to the City Council regarding what additional resources are required to complete similar grant applications in the future.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

Summary:

At its regular meeting held on January 14, 2014, the Innovation, Technology and General Services Committee considered Motion (Bonin - Fuentes) relative to the CEC's electric vehicle grant and the resources required to complete the grant application.

After providing an opportunity for public comment, the Committee moved to recommend approval of the motion as detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

INNOVATION, TECHNOLOGY AND GENERAL SERVICES COMMITTEE
