COMMUNICATION FROM MEMBERS, TRANSPORTATION COMMITTEE relative to an application for the 2014 Traffic Safety Grant award for a high school bicycle safety program.

Recommendation for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

AUTHORIZE the Los Angeles Department of Transportation (LADOT) to submit an application to the California Office of Traffic Safety (OTS) for a Traffic Safety Grant for a high school bicycle safety education program in the amount of \$696,000 for the City's Teen Bike Safety Program and accept funds and execute any necessary agreements with OTS if the grant is awarded.

Fiscal Impact Statement: LADOT reports that OTS funds require no matching funds, and the program is completely reimbursable. Local Proposition C funds may be used to provide front funding for the project.

Community Impact Statement: None submitted.

SUMMARY

In a report to Council dated December 4, 2013 (attached to the Council file), LADOT seeks authority to apply for a Traffic Safety Grant from the OTS. The Department reports that its existing School Bicycle Safety and Transit Education program is designed for elementary and middle school students. Currently, there is no funding for a high school program. Grant funds will be used to develop a two-year project to work with a select group of LAUSD high schools with League Certified Instructors who will develop a bicycling education curriculum that can be duplicated at other high schools in the future.

At the Transportation Committee meeting held December 11, 2013, Committee members recommended that Council authorize LADOT to apply for the Traffic Safety Grant.

Respectfully Submitted,

TRANSPORTATION COMMITTEE

**ADOPTED**  
\* as amended  
JAN 8 2014  
See attached Motion  
LOS ANGELES CITY COUNCIL

LABONGE:	YES
PARKS:	ABSENT
KREKORIAN:	YES

MOTION

Since the Transportation Committee's December 11, 2013 action to authorize the Department of Transportation to apply for a Traffic Safety Grant, the California Office of Traffic Safety has revised the grant application guidelines by limiting applicants to one-year of funding. The Department is revising their application and will reduce the grant funding requested, as required by the new grant application guidelines.

I THEREFORE MOVE that the consideration of the Communication from the Transportation Committee relative to an application for the 2014 Traffic Safety Grant award for a high school bicycle safety program, Item #36 on today's Council agenda (C.F. 13-1628), BE AMENDED to delete the existing recommendation and replace it with the following new recommendation:

AUTHORIZE the Department of Transportation to submit an application to the California Office of Traffic Safety (OTS) for a Traffic Safety Grant to support a one-year high school bicycle safety education program for an amount up to \$300,000 for the City's Teen Bike Safety Program, and, if the grant is awarded, accept funds and execute any necessary agreements with OTS.
