

MOTION

On September 13, 2018, the Los Angeles City Council adopted Council File 13-1641-S3, which approved an easement sale and a Memorandum of Understanding (MOU), Contract No. C-132858, between the Mountains Recreation and Conservation Authority (MRCA) and the City of Los Angeles (City) on the Taylor Yard G2 parcel.

Since the MOU was approved, the City and the MRCA have worked closely on numerous efforts to develop the Taylor Yard G2 parcel. In particular, the City and the MRCA are working as a team on the Paseo del Rio at Taylor Yard project which is funded by state and federal grants, Proposition O, and other City funds.

This amendment (Attachment B) to the MOU with MRCA would formalize MRCA's commitment to reimburse the City for at least three million five hundred thousand dollars (\$3,500,000) of costs incurred by the Bureau of Engineering during the pre-design, design, environmental documentation and review, permitting, and construction phases of the Paseo del Rio at Taylor Yard project. These funds shall be used to implement and enhance public-access and habitat-restoration features that are ineligible for Proposition O funds.

I THEREFORE MOVE that the City Council authorize the Department of General Services, Bureau of Engineering, and Chief Legislative Analyst, with the assistance of the City Attorney, to negotiate and execute the described amendment to the Memorandum of Understanding with the Mountains Recreation and Conservation Authority executed February 28, 2019.

I FURTHER MOVE that the City Council authorize the Bureau of Engineering to accept funds in the amount of \$3,500,000 from the Mountains Recreation and Conservation Authority and deposit in the appropriate account.
