MOTION

The alley south of 24th Street between San Pedro Street and Stanford Avenue has become a nuisance with accumulated trash which is not only a public health issue but invites criminal activity.

The owners of the business on the corner can no longer access their loading dock because of the deterioration. The City Attorney has indicated that there is no issue of recoverable homeless property at this alley.

Action is needed to clean and temporarily close this nuisance alley.

I THEREFORE MOVE that the Bureau of Engineering with the assistance of the Bureau of Street Services and the Department of Transportation be directed to report with recommendations to clean and temporarily close and gate the alley south of 24th Street between San Pedro Street and Stanford Avenue in Council District 9 inasmuch as this location has become a nuisance with accumulated trash which is not only a public health issue but invites criminal activity.
