DISCUSSION

The donation is for the benefit of the two new Domestic Abuse Response Team Programs in Southeast and Harbor Areas. The use of the plain vehicles will assist Department personnel in meeting the needs of domestic violence victims and their families. The sensitive nature of these cases requires a more discreet approach to rendering services to the victims and their families. The use of the plain vehicles will not cause undue attention for those being assisted. This donation was discussed with Senior Management Analyst Sheila Darling of Motor Transport Division on December 12, 2013, who agreed that this donation meets the Department's standards.

No expressed or implied commitments or promises were made to the donor or representatives of the donor. The donor will not receive any preferential treatment, endorsement, or recommendation; and the donor is not allowed the use of any Los Angeles Police Department patents.

Administrative Services Bureau has reviewed the donation and determined that it has been submitted in accordance with Section 5.467 et seq. of the Los Angeles Administrative Code, which provides for the receipt and acceptance of donations to the Los Angeles Police Department.
